

COMEDY CLUB

PREREQUISITES:

Plan at least 2 weeks in advance - ideally more to give speakers extra time & to advertise event

Facetious, witticism, jesting, drollery

THEME: COMEDY CLUB

Turn your meeting room into a comedy club. Speakers give speeches from the Humorous Speech manual OR add humor to any speech.

Include from 1 - 3 Joke Masters to open the meeting & to get everyone laughing and in the mood.

If possible, set up tables with a "night club" atmosphere.

Have club "bouncers" stationed at the door before the "club" opens - could stamp hands & check IDs as people come into the "night club".

Put tea lights on the tables with lights dim - mirror ball and music can be playing in the background until the speakers start.

If serving beverages & light snacks - have "servers" dress in same outfit & go around to "take everyone's order" (ex. black pants & white shirts) / might have small notebook to write down orders.

Suggest servers start serving as people come in so that they can finish before speakers start.

COSTS:  to 

ROLES:

Toastmaster-Master of Ceremonies
Servers (2 - 3) - if you serve beverages & snacks
Club Bouncers (1 - 2)

Table Topics Master

TABLE TOPICS IDEAS:

3 people volunteer - Each will say one sentence then on to the next speaker. The story should flow. The 1st sentence starts with an "A", then the next person gives a sentence that starts with a "B", etc. until you go through the alphabet (ex. Speaker1-Always start your day with protein. Speaker2- Because it will help you stay awake.)

Another version - have 2 teams of 3 people compete and vote for the team with the best story. No time limits are given but speakers are encouraged to move quickly and not to over think answers.
