Requirements for Mentor Certification

A mentor is an experienced member who provides guidance and support to empower protégés to reach their goals. The most successful mentors have been protégés and often continue to work with mentors of their own. Understanding the role of the protégé is fundamental to being the best mentor you can be.

To become a mentor, a member must be in good standing for at least six months, complete an entire path, and successfully complete mentorship training with positive evaluations from protégés. Each mentorship commitment lasts for a period of six months but may extend longer if both protégé and mentor agree.

Mentorship is an integral part of Toastmasters, with benefits that reach far beyond the club meeting. The Pathways Mentor Program is designed to help you build and reinforce the skills needed to provide a positive mentoring experience for protégés. The program is comprised of three projects that must be completed sequentially. The projects cover a range of topics from understanding your role as a mentor through a comprehensive assignment that includes a mentoring commitment lasting six months.
